

Driving Directions to Lazy Lagoon Island Lodge

Take the Bagamoyo Road out of Dar through Mbezi/Tageta/Bunju.

Some way after that you will see a big Airtel billboard on the left-hand side with 'Bagamoyo 15km' written along the top.

Approximately 1km further on you get to a small village called Zinga.

The turn-off to Lazy Lagoon boat pick-up is on the **right** opposite a new fuel station.

There are several signs at the side of the road including one for Lazy Lagoon.

Continue down this road (broken tar) through Pande village and turn **right** at the sign for Mbegani and Lazy Lagoon

Shortly after this, you will reach the gates of the Mbegani Fisheries.

Enter the compound, continue straight down to a 'T' junction and then turn **left**, then **right** down to the beach.

There is a parking area signposted where you can park and leave your vehicle.

Our boatman will be there to greet you and guide you across to the island.
